

KALEIDOSCOPE

Get out in the community with Kaleidoscope, The Arc Ontario's newest innovative program designed to enhance your skills and introduce you to local opportunities. It's empowering to make your own decisions and connect with your community.

Program Highlights

Kaleidoscope is a unique person-centered community based program option allowing individuals to engage in community activities and resources. Programming is based on small groups of individuals who, together with one staff, identify their programming activities. Each day is as unique and different as the group identifying their interests.

Individuals explore community connections by shopping, volunteering, attending workshops, and visiting local resources and attractions.

Here are what some participants have to say about Kaleidoscope:

"What I most enjoy about Kaleidoscope is fishing, bowling, and treasure hunting." -T.B.

"I've learned how to work with other people to make projects. I want other people to know this is a very good program." -M.O.

"I've learned I'm a good teacher..." -T.B.

"Kaleidoscope is fun. I get to meet different people." -C.L.

Kaleidoscope is your opportunity to get involved and explore new and exciting opportunities in your community!
