

PROJECT SEARCH™

The Arc Ontario has teamed up with Finger Lakes Health in Geneva, NY and East View Mall in Victor, NY to offer Project SEARCH™ - a nationally-renowned program designed to support young adults with intellectual and other disabilities as they seek to expand their skills and start their careers.

Project SEARCH™ is a unique 10-month long transition-to-work program that offers job readiness training and internship experiences to learn transferrable work skills. The intent is to gain the skills needed to become gainfully employed upon completion of the program.

Applicants should have the ability to be independent onsite and in the community. If needed, staff will work closely with you to learn how to use public transportation or other means to navigate to and from training locations.

Sample Schedule

- Arrival at host business site
- Classroom Instruction & Internship
- Lunch
- Internship
- Day in Review
- Dismissal

(As needed, travel training may be provided in-between internship rounds)
